Sir:

Responsive to the Notice of Non-Compliant Amendment dated February 3, 2009,
Applicant respectfully submits the following.

Applicant submits a substitute listing of claims, including the language of the
withdrawn claims. The listing of claims is attached hereto.

The Office has indicated that additional fees are due for claims, directing
Applicant to an attached fee sheet. First, there is no attached fee sheet, so Applicant is

not clear as to why the Office believes there are additional claim fees due. Second, Applicant notes that the claim set contains twenty claims and three independent claims (see Table 1 for assistance in counting), which have been paid for previously (i.e. in the initial fee payments submitted with filing the application). Thus, Applicants respectfully submit that there are no additional fees due. Third, Applicant reminds the Office that the Office has been authorized to charge any additional fees that may be required as per the RCE Transmittal (item 4, Fees) submitted with the previous Amendment.
